To The Folks at Prestoncrest Church of Christ -

Thank you for the package of toiletries you recently sent to me. Many of my co-workers have also received boxes from your Church recently.

The support we have received from individuals, organizations, and churches has been tremendous. This is my 5<sup>th</sup> deployment to this part of the world, and 3<sup>rd</sup> since Sept. 11. ~~The~~ It really makes it easier for us to do our jobs on a daily basis knowing we have the support of so many Americans - despite what the press and Congress is saying about our President and the war.

Conditions here in Kuwait are actually pretty good - compared to what many Soldiers, Sailors, Airmen, & Marines have in Iraq. Despite all the things we do have such as live TV, recreation & fitness facilities, McDonald's, Pizza Hut, &FC & Subway - nothing replaces being home with family & friends.

However, I am fortunate enough to be going home soon. That is why I'd request that any future ~~to~~ packages be sent to troops in worse conditions than us. If you go to ~~any~~ www.angairman.com, you will undoubtedly find the names of Airmen in Iraq & elsewhere that would be just as appreciative of cards, letters, packages as we have been. I will soon be unable to receive packages as my tour winds down.

Words could never express how much we truly appreciate all the support, and most of all prayers for us over here. Thanks again and God bless you all.

Sincerely,  
Mey
