THE PURPOSE DRIVEN® LIFE

To the Brethren at Prestoncrest,

Thank you for the care package of crafts, candy, comics, and toiletries. Your kindness and thoughtfulness means a great deal, and I greatly appreciate the time taken to do this.

We are blessed to have three churches of Christ on the base around Baghdad International Airport, with a total of about 30 Christians.

Please pray that God will use us to be an example and guide to Texas and the Kingdom.

I hope all is going well for you in Texas. God is moving the hearts of many here to peace and hope. Our area alone has dropped in violence by over 80% in eight months!

In Him,

W. S.
